Important notes:

- (1) *This letter does not override the Listing Rules and is not a substitute for advice from qualified professional advisers. If there is any conflict or inconsistency between this letter and the Listing Rules, the Listing Rules prevail. You may consult the Listing Division on a confidential basis for an interpretation of the Listing Rules or this letter.*
- (2) *The Securities and Futures Commission (“**Commission**”) is of the view that so long as an Application Proof or a PHIP submitted for publication on the Exchange’s website adheres to the guidance set out in paragraphs A.7 (Warning and Disclaimer Statements) and A.8 (Redactions in Application Proof for Publication and PHIP) below, then neither the Application Proof nor the PHIP would constitute a prospectus under section 2(1) of the Companies Ordinance as amended from time to time (Cap. 32) (“**Companies Ordinance**”); or an advertisement under section 38B(1) of the Companies Ordinance; or an invitation to the public in breach of section 103(1) of the Securities and Futures Ordinance as amended from time to time (Cap. 571) (“**Securities and Futures Ordinance**”).*

A. Preliminary

Purpose and Effective Date

- A.1 We have revised the Main Board Rules and the GEM Rules (collectively the "**Listing Rules**") to require the publication of Application Proofs¹, PHIPs² and statements under Main Board Rule 9.08(2)(c) or GEM Rule 12.10(2)(c) ("**MB Rule 9.08/ GEM Rule 12.10 Statements**") on the Exchange's website.
- A.2 This guidance is on the logistical arrangements for the submission and publication of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statement for Main Board and GEM applications on the Exchange's website. Applicants and their sponsors must follow these arrangements and such others as may from time to time be prescribed by the Exchange.
- A.3 This guidance will supersede the Revised Logistical Arrangements For Posting WPIP on the HKEx Website dated 1 December 2011 applicable to Web Proof Information Packs ("**WPIPs**") effective from 1 October 2013.

¹ As defined in Main Board Rule 1.01 and GEM Rule 1.01

² As defined in Main Board Rule 1.01 and GEM Rule 1.01

Reference to the Listing Rules

A.4 Unless the context requires otherwise:

- (i) the reference to a “new applicant” or “applicant” includes a CIS applicant which is required to publish an Application Proof and a PHIP under Main Board Rules 20.25 and 20.26; and
- (ii) the reference to a “sponsor” includes a “listing agent” or a person under whatever description appointed by a CIS applicant which is required to discharge the functions equivalent to those of a sponsor for the purpose of a listing of interests in a CIS under Chapter 20 of the Main Board Rules.

A.5 An applicant should refer to Practice Note 22 to the Main Board Rules and Practice Note 5 to the GEM Rules for details on the publication requirements for Application Proofs and PHIPs, including:

- (i) language requirements;
- (ii) content requirements;
- (iii) legal compliance matters;
- (iv) prescribed timing for publication;
- (v) confidential filings; and
- (vi) publication of subsequent PHIPs with mark-ups against the previous proofs.

Application

A.6 The publication requirements for Application Proofs and PHIPs apply to any application for the new listing of:

- (i) securities under Chapter 9 of the Main Board Rules and Chapter 12 of the GEM Rules; and
- (ii) interests in a CIS under Chapter 20 of the Main Board Rules with a listing agent appointed to discharge the functions equivalent to those of a sponsor.

Warning and Disclaimer Statements

A.7 Minimum warning and disclaimer statements are set out in Part A and Part B respectively of [Enclosure 1](#). These warning and disclaimer statements are for reference only and are not intended to be prescriptive. An applicant can adopt warning and disclaimer statements that contain elements additional to but not detracting from those set out in [Enclosure 1](#).

Redactions in Application Proof for Publication and PHIP

A.8 For the purpose of publication on the Exchange’s website, unless consent is

obtained for further redactions, an applicant may redact an Application Proof and a PHIP only to the extent necessary for these documents not to constitute a prospectus under section 2(1) of the Companies Ordinance; or an advertisement under section 38B(1) of the Companies Ordinance; or an invitation to the public in breach of section 103 of the Securities and Futures Ordinance. Please refer to [Enclosure 2](#) on what information may be redacted in an Application Proof/PHIP.

Obligation to Update Information in PHIP

- A.9 Guidance Letter HKEx-GL56-13 provides guidance on what information may be bracketed (i.e. information which will be updated in subsequent drafts of a listing document), omitted and redacted in an Application Proof. For the avoidance of doubt, if the information is permitted to be omitted from the Application Proof for vetting, it should not be disclosed in the Application Proof for publication. To the extent practicable and except for offer-related information, bracketed or omitted information in an Application Proof should be updated or included upon the publication of the PHIP.

Confidential Filing of Application Proof

- A.10 The Listing Rules provide for confidential filing of an Application Proof where, at the time of filing a listing application, an applicant has already been listed on a recognised overseas exchange for not less than five years and has a market capitalisation of not less than US\$200,000,000 or such higher value the Exchange as may determine from time to time (paragraph 18 of Practice Note 22 to the Main Board Rules and paragraph 17 of Practice Note 5 to GEM Rules). A recognised overseas exchange for this purpose means the main market³ on any one of the exchanges listed below (which is subject to change as the Exchange considers appropriate):

- (i) The Amsterdam Stock Exchange (NYSE Euronext – Amsterdam);
- (ii) The Australian Securities Exchange (ASX);
- (iii) The Brazilian Securities, Commodities and Futures Exchange (BM&FBOVESPA);
- (iv) The Frankfurt Stock Exchange (Deutsche Börse);
- (v) The Italian Stock Exchange (Borsa Italiana);
- (vi) The London Stock Exchange (premium segment, LSE);
- (vii) The Madrid Stock Exchange (Bolsa de Madrid);

³ A “main market” on one of the stock exchanges listed in paragraph A.10 refers to a full listing on a market of the relevant stock exchange that complies with the highest standards and full rigour of the rules and regulations of that particular market. For instance, a premium listing on the London Stock Exchange would meet the “main market” definition.

- (viii) NASDAQ OMX (US);
- (ix) The New York Stock Exchange (NYSE Euronext (US));
- (x) The Paris Stock Exchange (NYSE Euronext – Paris);
- (xi) The Singapore Exchange (SGX);
- (xii) The Stockholm Stock Exchange (NASDAQ OMX – Stockholm);
- (xiii) The Swiss Exchange (SIX Swiss Exchange);
- (xiv) The Tokyo Stock Exchange (TSE); and
- (xv) The Toronto Stock Exchange (TMX).

Waivers from Publication of Application Proof

- A.11 The Exchange or the Commission (as the case may be) may waive or modify the publication requirements for an Application Proof. An applicant is encouraged to consult the Exchange or the Commission (as the case may be) at an early stage if it envisages any difficulties in complying with the publication requirements (e.g. where the publication of an Application Proof will conflict with the laws of the foreign jurisdiction which the applicant is subject to or unduly prejudice an applicant’s continuing listing status on an overseas exchange).
- A.12 In the case of a spin-off from an overseas listed parent, the Exchange or the Commission (as the case may be) will only consider a waiver from the publication requirements on a case by case basis taking into account whether an applicant can generally satisfy (i), (ii) or (iii) below:
- (i) (a) the applicant’s application for listing in Hong Kong is price sensitive to its overseas listed parent under the applicable rules of its primary listing venue;
 - (b) the overseas listed parent is not required under the applicable rules of its primary listing venue to disclose the applicant’s listing in Hong Kong (e.g. a safe harbour provisions are available under the rules of its primary listing venue); and
 - (c) the overseas listed parent keeps and undertakes to keep the applicant’s application for listing in Hong Kong confidential before the issue of the PHIP; or
 - (ii) (a) the Application Proof contains price-sensitive information to the overseas listed parent under the applicable rules of its primary listing venue;
 - (b) the overseas listed parent is entitled to keep the price-sensitive information confidential under the applicable rules of its primary listing venue by redacting such information in the Application Proof; and

- (c) the extent of the proposed redactions will make the content of the Application Proof and its publication meaningless; or
- (iii) the overseas listed parent’s jurisdiction or the relevant exchange it is listed on has requirements or regulations that prevent the overseas listed parent or the applicant from publishing a draft listing document relating to the spin-off.

A.13 In the case of a spin-off from a parent listed on the Exchange, the Exchange or the Commission (as the case may be) will only consider a waiver from the publication requirements on a case by case basis in the light of the relevant application of the inside information⁴ requirement as applicable to that case.

Publication of MB Rule 9.08 /GEM Rule 12.10 Statements

A.14 The publication of MB Rule 9.08/ GEM Rule 12.10 Statements must be in English and Chinese and submitted to the Exchange through HKEx-ESS. The Exchange will not review the statement, but applicants must submit a copy to the Exchange for its record prior to any publication. Applicants must ensure that these statements do not include information that (i) constitutes a prospectus under section 2(1) of the Companies Ordinance; or an advertisement under section 38B(1) of the Companies Ordinance; or an invitation to the public in breach of section 103 of the Securities and Futures Ordinance; (ii) discusses its proposed issue of securities; or (iii) promotes its securities to be issued or its listing. The statement will be published on a designated webpage for publication of Application Proofs, PHIPs, and MB Rule 9.08/ GEM Rule 12.10 Statements (“**Designated Webpage**”) (see webpage layout in paragraph C1.1 and webpage contents in paragraph A.18). A recommended template for the publication of MB Rule 9.08/ GEM Rule 12.10 Statements is set out in [Enclosure 3](#).

Transitional Arrangements for Publication of Application Proofs⁵

A.15 An applicant must submit its Application Proof through HKEx-ESS for publication on the Exchange’s website:

- (i) subject to sub-paragraph (ii):
 - (a) in the case of an applicant for listing equity securities, at the same time the applicant files a listing application with the Exchange; or
 - (b) in the case of a CIS applicant required to publish its Application Proof under Main Board Rule 20.25, at the same

⁴ “inside information” is defined under Part XIVA of the Securities and Futures Ordinance.

⁵ Paragraph 9 of Practice Note 22 to the Main Board Rules; paragraph 8 of Practice Note 5 to GEM Rules.

time the CIS applicant files an authorisation application with the Commission;

- (ii) (a) from 1 October 2013 to 31 March 2014 (both dates inclusive), any Application Proof submitted to the Exchange, and in the case of a Returned Application⁶, the name of the applicant and sponsor, and the date of the return⁷ will not be published on the Exchange's website. For the avoidance of doubt, all other requirements (except for the submission of Chinese version of Application Proofs) will be effective on 1 October 2013 (e.g. the eight weeks moratorium for Returned Applications under Main Board Rule 9.03(3)/GEM Rule 12.09, and publication of PHIPs);
- (b) from 1 April 2014 to 30 September 2014 (both dates inclusive), any Application Proof submitted to the Exchange will only be published on the Exchange's website:
- in the case of an applicant for equity securities, when the Exchange accepts the listing application for detailed vetting after the completion of an initial 3-day check of the Application Proof ("**3-Day Check**") (see paragraphs A.16 and A.17); or
 - in the case of a CIS applicant required to publish its Application Proof under Main Board Rule 20.25, when the CIS applicant notifies the Exchange that the Commission has formally taken up its authorisation application.

For the avoidance of doubt, in the case of a Returned Application, the name of the applicant and sponsor, and the date of the decision to return an application will be published on the Exchange's website effective from 1 April 2014.

A.16 From 1 October 2013 to 30 September 2014, both dates inclusive (the "**Transitional Period**"), the Exchange will perform a 3-Day Check of all Application Proofs according to a prescribed 3-day checklist in Table B of Guidance Letter HKEx-GL56-13. Failure to include the matters under the 3-day checklist⁸ may lead to a listing application being returned. Since it is an initial check, only limited qualitative assessment will be carried out. The

⁶ As defined in paragraph 1 of Practice Note 22 to the Main Board Rules; and paragraph 1 of Practice Note 5 to the GEM Rules.

⁷ The date of the return refers to the date of the decision letter to return an application.

⁸ This 3-day checklist does not apply to a CIS applicant's Application Proof required to be submitted under Main Board Rule 20.25.

Exchange and the Commission reserve the right to return a listing application during the initial 3-day period if there are grounds which render it not substantially complete despite meeting the disclosure and checklist requirements under the Listing Rules and the 3-day checklist, such as non-compliance with paragraph 17 of the Code of Conduct for Persons Licensed by or Registered with the Securities and Futures Commission and Main Board Rule 9.03(3) (GEM Rule 12.09). If after a qualitative assessment the Exchange and/ or the Commission consider an Application Proof accepted for detailed vetting is not substantially complete, the listing application form, Application Proof and other documents will be returned to the applicant.

- A.17 During the first six months of the Transitional Period (i.e. 1 October 2013 to 31 March 2014, both dates inclusive), the Exchange and the Commission will review (i) the effectiveness of the arrangement of having a 3-Day Check before publication of Application Proofs; and (ii) the duration of the Transitional Period. The Commission’s prior consent under the Listing Rules is required for any decision to remove or continue the 3-Day Check after the first six months of the Transitional Period.

Status Marks and Information on the Exchange’s Website⁹

- A.18 The Exchange will publish the following status marks and information on the Exchange’s website to indicate the status of each listing application:

B. File Specifications and Submission Procedures

Submission through the e-Submission System (“HKEx-ESS”)

B.1 HKEx-ESS is the Exchange’s system to enable registered users to submit documents electronically to the Exchange. The e-Submission System User Manual For Listing Related Matters (“**User Manual (Listing)**”) has been updated to include procedures on Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements. Please access this document through the link at the bottom of the HKEx-ESS website at: <https://www.esubmission.hkex.com.hk>.

Publication of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements

B.2 An applicant’s sponsor must arrange for publication on the applicant’s behalf of all Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements on the Exchange’s website in accordance with the prescribed time limit in paragraph B.5 below.

B.3 For publication of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements on the Exchange’s website, a sponsor must first:

- (i) register with the Exchange’s Primary Market Information Team of the Exchange as a HKEx-ESS user at least three business days before any submission. We will assign a User ID and Password to each applying sponsor. If a sponsor is already a HKEx-ESS user, no re-registration is required and the previously allocated User ID and Password can be used for submission of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements through the HKEx-ESS; and
- (ii) obtain a company case number from the Listing Division - IPO Team for the applicant by filing a request form as set out in **Enclosure 4** at least one business day before the filing of the listing or authorisation application. This case number is specific to an applicant and it must be used for submissions of all Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements under the same application.

B.4 Every Application Proof, PHIP and MB Rule 9.08/ GEM Rule 12.10 Statements must be:

- (i) in a ready-to-publish electronic version in both English and Chinese when submitted through HKEx-ESS for publication (see paragraph B.9 below for large files); and
- (ii) accompanied by a written confirmation from each sponsor by facsimile, mail or hand to the Listing Division - IPO Team confirming that the submission of the Application Proof, PHIP or MB Rule 9.08/

GEM Rule 12.10 Statements is under the applicant's authority (see sample at [Enclosure 5](#)).

B.5 The Exchange requires processing time to upload any submitted Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements on the Exchange's website. Applicants should early consult the Exchange on the estimated publication time to avoid delays. Priority will be given to PHIPs as it is not anticipated that Application Proofs and MB Rule 9.08/ GEM Rule 12.10 Statements will have the same time pressure for publication. Application Proofs are expected to be submitted on a business day during office hours between 9:00 a.m. and 6:00 p.m. Barring unforeseen circumstances, the publication time of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements is:

- (i) when submitted through HKEx-ESS during the HKEx-ESS Operational Hours:

HKEx-ESS Operational Hours	Time of submitting the Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements	Publication time on the Exchange's website
6:00 a.m. to 11:00 p.m. on Mondays to Fridays (business days only)	Before 6:00 p.m.	Before 11:00 p.m. on the same day
	After 6:00 p.m. where the next day is a business day	Before 12:00 noon on the next day
	After 6:00 p.m. where the next day is a non-business day For example: (i) a submission after 6:00 p.m. on Friday where the next business day is Monday (ii) a submission after 6:00 p.m. on Wednesday where the next business day is Friday	6:00 p.m. to 8:00 p.m. on a non-business day immediately before a business day 6:00 p.m. to 8:00 p.m. on Sunday 6:00 p.m. to 8:00 p.m. on Thursday

- (ii) if a PHIP is intended to be submitted on a day where no HKEx-ESS service is available, the following special arrangements can be made:

Special Submission Arrangements	Submission Method	Publication time on the Exchange's website
<p>Notify the Listing Division - IPO Team not later than 2:00 p.m. on a business day immediately before the day special arrangements are to be made, and agree with the Listing Division - IPO Team to arrange for a special window for submission of the PHIP within a one-hour session between 9:00 a.m. and 6:00 p.m. on the day with no HKEx-ESS service</p>	<p>Within the pre-agreed one-hour session, deliver the following to the Exchange:</p> <p>(i) the relevant files set out in paragraph B.8 through</p> <ul style="list-style-type: none"> - email if the aggregate file size does not exceed 7MB; or - in other cases, through CD ROM; and <p>(ii) Enclosure 5 confirmation</p> <p>The CD ROM, where applicable and Enclosure 5 must be hand delivered to the relevant IPO Team staff</p>	<p>Before 12:00 midnight on the same day</p>

File Specifications

- B.6 Every file comprising an Application Proof, PHIP or MB Rule 9.08/ GEM Rule 12.10 Statements (except for the file referred to in paragraph B.8(iii) below which is in Excel format) submitted for publication on the Exchange's website must be in a read-only PDF format. The copying and editing functions in the file must be disabled.
- B.7 A warning statement as set out in Part A of **Enclosure 1** in English and Chinese contained in separate files must be submitted to the Exchange through HKEx-ESS at the same time as the applicant submits its Application Proof. Only one submission of the warning statement is required for all related Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements of an applicant. The warning statement may be revised from time to time as the applicant considers appropriate.
- B.8 Every English and Chinese version of an Application Proof and a PHIP submitted through HKEx-ESS (or on CD ROM for large files, see paragraph

B.9 below) must contain the following:

- (i) a single file containing an Application Proof or a PHIP with bookmarks to enable readers to navigate easily between chapters of the document;
- (ii) a multi-file containing an Application Proof or a PHIP with bookmarks to enable readers to navigate easily between chapters of the document; and
- (iii) a multi-file of the same Application Proof or PHIP divided into different chapters as in the recommended contents layout in **Enclosure 6** in an Excel file as an index for each individual file.

MB Rule 9.08/ GEM Rule 12.10 Statements are required to be in a single file for each English and Chinese version.

- B.9 Each Application Proof, PHIP or MB Rule 9.08/ GEM Rule 12.10 Statements file submitted through HKEx-ESS must NOT be larger than 20MB and must not be in a compressed format (e.g. a “zip” file). - B.10 Please refer to the e-Submission System User Manual For Publication Related Matters (“**User Manual (Publication)**”) for the file specifications of Application Proofs, PHIPs and MB Rule 9.08/ GEM Rule 12.10 Statements. You can access the document through the link shown at the bottom of the HKEx-ESS website at: <https://www.esubmission.hkex.com.hk>. In particular, please refer to the following headings:
