### **2. Relevant Listing Rules**

- 2.1 Main Board Rule 4.04(1) (GEM Rule 7.03(1)) requires the accountants' report to include the results of the issuer or, if the issuer is a holding company, the consolidated results of the issuer and its subsidiaries in respect of each of the three financial years (at least 2 financial years for GEM applicants) immediately preceding the issue of the listing document or such shorter period as may be acceptable to the Exchange.

- 2.2 Main Board Rule 8.06 (GEM Rule 11.11) requires the latest financial period reported on by the reporting accountants must not have ended more than six months before the date of the listing document.

For example, for a listing applicant expected to issue its listing document in December 2012, the latest financial period reported on in the Accountants' Report must have ended on or after 30 June 2012.

- 2.3 Main Board Rule 9.03(3) (GEM Rule 12.09) provides, among others, that a new applicant must submit a listing application form, an Application Proof and all other relevant documents under Main Board Rule 9.10A(1) (GEM Rules 12.22 and 12.23), and the information in these documents must be substantially complete except in relation to information that by its nature can only be finalised and incorporated at a later date. If the Exchange decides that this information is not substantially complete, the Exchange will not continue to review any documents relating to the listing application.
